ANTIOCH ASKS BIDS ON WATER TOWER

Board Approves Plans of
Engineer—Work to
Start Jan. 1

Plans and specifications for Antioch's new water tower by Engineer J. McKinney of North Chicago were approved Tuesday night by the village board, and a call for bids on the construction was made at once. Bids must be received by December 26th, the board announced.

The project, which will cost about \$8,500, is to be financed by the federal grant of \$3,000 from the FCF funds, and the remainder will come from the accumulated surplus in the Antioch water fund.

The building of the tower will require skilled labor for the most part, but local labor will be used whenever possible, according to the committee. Fifteen men will be employed and the project will be completed in about seven weeks under favorable water conditions, otherwise it may require three months.

Bids are to be submitted to the federal committee in Washington, for approval and the work will get under way the first of the year.

The building of the water tower is not a CWA project, but it is being constructed by the village with the assistance of the RCF.

The sewer improvement is being held up by the government as this project had not been investigated thoroughly.

Eighty-One Lake County Students Enroll at U. of I.

Antioch Is Represented by
Six; Lake Villa by
Three

Eighty-one students from Lake County are enrolled at the University of Illinois for the first semester, forming one one hundred twenty-third part of the total enrollment of 9,996. On the Urbana-Champaign campus there are 8,843, while the University's departments in Chicago have an enrollment of 1,153.

Student enrollment at the University is said to be on the upswing, with 334 more freshmen this year than last, although the total number of students is not as large.

Among the U. of I. students from the northwestern part of the county are:

Antioch
John Brogan, Homer F. Edwards, Ward L. Edwards, F. Drury Hollenbeck, Jr., Harold F. Kennedy, Robert H. King.

Grayslake:
Oliver Barron, Harold D. Gould, Kathryn L. Moore, Charles M. Parker, Raymond W. Todd, R. R. 1, Box 200.

Gurnee:
Stephen Jankowski, Box 110, Robert M. Panzer, Clyde Wutzke.

Lake Villa:
Clyde Helm, Robert W. Hughes, William H. Maler.

Libertyville:
Melvin Kohner, 230 Elm Court.

Round Lake:
Annabel F. Junge, George F. Tschappat.

Rabbi Jacobson to Speak at Men's Club

The Antioch Men's Club will hold their meeting next Thursday evening, Dec. 21, at the M. E. Church, with Rabbi Solomon Jacobson of Waukegan as the speaker. Other features of interest will be presented. A 6:30 dinner will be served by the ladies of the church.

A reorganization of the Club into a more active and effective group is contemplated.

Rev. and Mrs. L. V. Sittler spent Monday in Oregon visiting Mrs. Sittler's parents, Mr. and Mrs. William Canode. Rev. Sittler accompanied the Modern Woodman Drill Team from Franklin Grove to Rock Island Tuesday.

Rt. 173 Open To Traffic To Rockford

All gaps in Route 173 west of Antioch to Rockford, with the exception of one, were completed last week, and the road opened to traffic Monday morning. There still remains a break at Caledonia, where a viaduct is to be constructed. Motorists now are able to travel by concrete directly to Rockford, where 173 joins with Route 2.

The Zion-to-Rockford road, long an aim of residents in northern Illinois, has been partially realized, but will not be entirely completed until the two sections of the road east and west of Antioch have been joined.

CHANNEL LAKE HOUSE DESTROYED BY FIRE

Kriebel House, Occupied
by Paul Zeien Family,
Burns to Ground

A high fire destroyed the Kriebel house in the Woodcrest Subdivision, on the west side of Channel Lake, Monday evening, despite the efforts of the Antioch firemen who for nearly three hours struggled to extinguish the fire.

The house has been occupied for the last few months by Paul Zeien and his family, but is the property of Mrs. Fred Kriebel.

The fire was discovered about seven o'clock Monday evening by the Zeien boys, who noticed that the wall paper near the stove pipe was turning black. Upon investigation, it was found that the attic was in flames and full of smoke.

A call was sent to the Antioch fire department, but after the water on the wagon was exhausted, the firemen were forced to lay six hundred feet of hose to pump water from the channel, thus causing more delay.

Furniture on the first floor was saved, as the Zeien children began removing it as soon as the fire was discovered. It is believed that the fire started through a crack in the chimney.

The loss of the house is estimated at over \$2,500. It is understood that the house was not insured. Furniture and personal property damage is not definitely known, but it is believed that Mrs. Kriebel had a number of valuable articles stored in the attic of the house.

The house had been the home of Charles McCorkle and family for several years until last spring when they moved to Antioch. Mr. McCorkle was overseer of the Woodcrest subdivision.

L. M. HUGHES HEADS ODD FELLOW LODGE

L. M. Hughes was elected Noble Grand of the I. O. O. F. lodge for the ensuing year at the annual election of officers held Thursday night. Other officers elected were Earl Horton, vice noble grand; Tom Burnette, re-elected secretary; Russell Barnstable, re-elected treasurer; Wm. W. Runyard, re-elected lodge deputy.

Installation of officers will be held January 4, at which time Mr. Hughes and Mr. Horton will appoint the remaining officers.

Eleven members from the Woodstock lodge were present at the election Thursday night. Several from Willmot are expected at the meeting tonight.

State Supt. Blair Will Speak At Emmons School Dedication

Hon. Francis Blair, state superintendent of public instruction, will be an honored guest and main speaker at the dedication of the new Emmons school next Tuesday evening. County Superintendent W. C. Petty will also speak. There will be singing by the school children, and a very interesting program beginning at 8 o'clock, has been planned for the occasion, members of the school board announced. The public is invited.

The new and modern building, costing about \$7,500, is located a mile southwest of Antioch at the intersection of Beach Grove road and state highway 59 on the site of the old wooden structure which served the

TAXPAYERS GET "LOW-DOWN" ON RELIEF MATTERS

Interest in Local Govt. Pays
Secretary Says in Letter
to Antioch News

Active interest in local governmental affairs pays, according to Mrs. Ed. Bacon, who was recently re-elected secretary of the Central Lake County Taxpayers Association. The taxpayers have been looking in to relief measures in the various townships of the county, and the secretary has prepared the following statement of their findings:

"A representative group visited headquarters of the Illinois Emergency Relief Commission in Waukegan Dec. 1st and were freely and courteously informed on all questions asked. This trip was made in the interest of taxpayers in Waukegan where a special town meeting had been held Nov. 29th and Lake Villa where a similar meeting was held Dec. 2nd.

"At the regular town meeting in Waukegan last spring, a poor levy of \$3,000 was made, this, it was understood was twice the levy made the spring before. Now it must be remembered that the money available for poor relief this winter is the 1932 levy collected in taxes this last spring and summer plus a certain amount of anticipation warrants that may be issued on 1932 unpaid taxes and the 1933 levy. As less than 60% of the 1932 taxes in Waukegan have been paid it puts this town in a position somewhat similar to Chicago. But does Chicago make an addition to her regular levy (even though this levy was a very small fraction of what it should have been?) Not when her meager funds are used she says the I. E. R. C. must take care of her relief work while the town board of Waukegan find it easier to make a special levy and issue anticipation warrants than to fight for their share in the I. E. R. C., a fight they owe to that 50% who have paid their taxes.

"In Lake Villa, where the citizens conduct their own town meetings, they were unable to make a levy at the regular meeting last spring but at a special meeting last Saturday after several hours of deliberation in a packed town hall they were able to make a levy of \$1,500 and let it be said here in justice to an alert and active group of taxpayers and citizens that the worthy but unfortunate citizens of Lake Villa will not go hungry nor cold as a result of this apparent small levy.

"The I. E. R. C. extends credit when local resources are exhausted. 'Some figures you will like to study if you have the interest of your community at heart. These levies include the Bogardus funds:'

Town	Value	Rel. Levy
Avon	\$2,727,334	\$2,500
Cuba	2,638,483	3,000
Ela	2,131,875	250
Waukegan	1,424,365	6,500
Lake Villa	1,763,770	1,500

Mrs. F. W. Jensen, Conservation chairman of the Tenth District of the Woman's Club, spoke over Station KVV Monday afternoon, Dec. 4, from 5 to 5:10 P. M. on "Reforestation and Its Benefits to Wild Life."

The Outside of the Stocking Can Carry the Best Message of All Brown

MASONS TO INSTALL OFFICERS TUESDAY

Elmer Hunter to Be Master;
Frank Huber Re-elected
Secretary 23rd Time

Installation of officers of Sequoit Masonic Lodge A. F. and A. M. will be held at the hall next Tuesday evening, Dec. 19.

Those installed will be: Worshipful Master, Elmer Hunter; senior warden, Arthur Wertz; junior warden, Lewis Van Patten; senior deacon, Harry Willett; junior deacon, Emil Lukeman; treasurer, Ed. Garrett; secretary, Frank Huber; and Tyler, Sol La Plant. The last three named were re-elected. Mr. Huber for the twenty-third time.

The only appointive officers announced at this time are William Anderson, senior steward, and William Kufalk, junior steward.

A closed installation will be held this year, with Charles Whitman, Grayslake, district deputy, acting as installing officer.

Retiring Worshipful Master is S. E. Pollock.

Petty Depicts Status Of Schools At P. T. A. Meeting

"Depression and false economy have played havoc with the public schools," W. C. Petty, County Superintendent of Schools, stated at the meeting of the Antioch P. T. A. Monday evening. His subject was "The Present Status of Schools and Some Attacks That Have Been Made Upon Them."

"It is no exaggeration to say that the present plight is serious, if not desperate," he continued. "It is estimated that not one city in twenty-five has any new classrooms under construction, and the construction of thousands of rural schools has been indefinitely postponed."

"This state of affairs cannot continue if American ideals are to survive. The several states and communities have done their part, but it has not been enough."

He went on to quote Robert Hutchins, president of the University of Chicago, on federal aid: "No one can watch the progress of education in this country without being convinced that federal government must equalize opportunity among the states."

"I have never heard any argument advanced which can justify condemning one child to illiteracy because he was born in one certain part of the country, whereas another, born in another part of the country, may at public expense proceed from the nursery school to the highest scholarly degree."

Mr. Petty then went on to discuss the system of administration for educational emergency relief. He is hopeful about the stand which the American Legion and other civic organizations have taken in championing the cause of education.

TUBERCULOSIS ASS'N. PLEADS FOR SUPPORT IN XMAS SEAL DRIVE

In former years, the Lake County Tuberculosis Association conducted twelve free chest clinics with an average of thirty patients who were unable to pay for medical service. In 1933 it was necessary to reduce the number of clinics to nine due to lack of funds. The number of clinics to be conducted in 1934 depends entirely upon the success of the present Seal Sale. It is no exaggeration to say that at least forty persons have attended every chest clinic so far this year.

VOS TO BRING SANTA TO ANTIOCH KIDDIES

Gift Distribution and Carol
Singing Will Be Around
Growing Xmas Tree

The annual outdoor Christmas party given for the kiddies of Antioch by Herb J. Vos will be held this year on Christmas eve on the lawn of the Vos home on North Main street, instead of in the business section as in former years.

Santa Claus will appear to welcome all the children, and will bring helpers to distribute his gifts of candy, apples, and oranges. A Christmas tree growing in the Vos yard will be gayly decorated with many colored lights and ornaments, and will form the center of the "Christmas stage."

All children of the community up to twelve years of age are invited to be present, to meet Santa and to participate in the carol singing.

The occasion has been set a little earlier this year than usual, so that it will not conflict with any church services being held that evening. The children are requested to be present before seven o'clock.

Herb is Santa Eighth Time
This is the eighth year that Mr. Vos, president of the Antioch Lumber and Coal company, has stepped into the boots of Santa Claus to bring cheer to Antioch children at Yuletide. He has always supplied candy and fruit for the community tree, purchasing gifts from local stores.

Some organization of the village usually cooperates with Mr. Vos and "Santa" in the distribution of the gifts, and it is expected that the Legionnaires, as usual, will assist on this occasion.

FARM BUREAU TO GIVE XMAS PARTY AND BEAUTY CONTEST

The Farm Bureau Christmas party and 3rd annual Beauty-Personality Contest is being held on Saturday night, Dec. 16, at 8:00 p. m., at the Grayslake school auditorium. There will be singing, a radio broadcast, awarding of 4-H premiums and dancing.

Everyone is cordially invited and tickets may be secured free of charge at the Farm Bureau office, Grayslake, or at the door.

ANTIOCH'S C. W. A. PROJECTS APPROVED

High School Project Calls
for 35; Village Street
Work for 22 Men

Thirty-five men will commence work Monday on the high school project which has just been approved by the state CWA office in Chicago, according to George White, president of the high school board.

This project will provide work for thirty-five men for about four weeks, and includes painting the building inside and out, building new fences, completing the tennis court and fencing it, constructing a baseball diamond on the high school property east of the tracks, and landscaping the wooded section of the land across the tracks into a park.

This project was approved by William F. Kirkham, of the Lake County division of the Illinois Emergency Relief, and by B. P. Thacker, district engineer for seven counties last week. This was the second project to be approved by Thacker as a CWA project.

The estimated labor cost, which will all be paid by the CWA, is over \$4,000. The school board provides materials, such as paint and lumber, and all equipment, the estimated total cost being about \$500.

The members of the school board have listed another project which they are anxious to have approved and carried out. This project would provide for the dredging of a lagoon east of the tracks and next to the proposed park, to be used as a skating rink in winter, and as a scenic aid to the park in summer.

22 Start on Streets
Work for twenty-two men for four weeks has been allotted the village under the CWA, Mayor Geo. Bartlett said this week, the work to include grading, graveling, and stoning Harden and Orchard streets, and grading Parkway.

The men to work will be selected and notified this week by Mrs. Fannie Brandstetter, superintendent of the Waukegan employment office. They are asked to report at the village hall at eight o'clock Monday morning.

Men are selected on the following basis: One half will be taken from the relief; next in order are American Legion men with dependents; regular unemployed will then be considered.

Fourteen Added to Quota
Under the additional quota of over 600 men granted Lake County by the CWA, Antioch will receive fourteen more over the original quota of fifty-seven, it was learned Tuesday, when Frank Mastne and William Regan of the Antioch regulation board met with Harold S. Dennie, who is in charge of the county CWA program.

At the close of registration for work under the CWA here Saturday, the total number of applications for Antioch and Lake Villa townships stood at 370. Of this number, 306 were from Antioch township, and 66 from the village.

"R. & H. Chevrolet Sales" Is New Firm Name Of Car Dealers

Rentner & Haley Look Forward to Advent of
1934 Chevy

"R. & H. Chevrolet Sales" is the name under which the Antioch Chevrolet agency will do business, it was announced today by Rentner & Haley, who last week purchased the business of the Whitmore Chevrolet Co.

Besides handling Chevrolet sales and service, the firm will do repairing on all makes of cars, Elmer Rentner, who is in charge of the Antioch agency, announced. The firm is looking forward to the arrival of the 1934 Chevrolets and preparations are being made to have several of the new models on display as soon as they appear, Rentner said.

G. A. Whitmore, head of the company here for the last three and a half years, left early this week to take charge of his new agency at Ottawa, Illinois.

SELF-RESPECT

Claudius E. Wade, Director
Chicago College of Commerce, Chicago

In these days of financial and economic distress when people are losing their business, their homes, their life savings, their courage, their ambition, and their hopes, it is indeed a trying ordeal. A man may lose his earthly all, yet if he retain his self-respect, he can still be rich in the things that count—the things that endure and are worth while. He who loses his self-respect, though he have millions, is poor, and a failure. When he loses respect for himself, he has lost it for everything and everybody.

Self-respect is not pride nor haughtiness, but something which prevents one from stooping to meanness, pettiness, and harshness; which resents every form of unfairness, which rebels against injustice and impels one to have the most scrupulous regard for the rights of others. No self-respecting person will do unto others what he would resent having done unto him. He who wounds the self-respect of another mars and scars his own.

Self-respect is not a flower that can be cultivated in a garden overgrown with weeds. It is a virtue that flourishes in company with others. The man who cheats, whose business is not run honestly, whose daily object is to get the better of others can not retain the true brand of self-respect.

No self-respecting person will expect anyone, regardless of how low they are in the scale of life to do for him anything which he would not do for himself. Self-respect does not mean that we must always be arrayed in spotless linen, clean cuffs and collars and polished shoes; that our faces should never be grimy and that we must live in fine houses. The scavenger in the alley digging in the garbage boxes for a livelihood can be more entitled to respect than the millionaire who leads a parasitical and degenerating life.

If a fellow is on the level he is conscious of deserving respect. What a weapon is thus placed in his hands, what difficulties can not be faced, what obstacles can not be overcome and what disappointments cannot be bravely borne! Unless one builds on a foundation of self-respect, his life structure, no matter how glittering and imposing on the outside, is corroded and honeycombed within, and liable to collapse ignominiously at any moment.

GETTING IT IN THE NECK

When the gasoline tax first became popular, shortly following the war, it had an excellent argument to recommend it: That the motorist should pay a fair share of the cost of building and maintaining the highways over which he drives.

That's still an excellent argument for a reasonable gas tax. But the motorist has been getting it in the neck to a constantly increasing degree. He's buying

highways he never gets. He's maintaining others that don't exist.

In 1932, according to recently published figures, the tax revenue from gasoline and automobiles in one state was 271 per cent of all moneys spent for roads. In some states it was 150 per cent. For the nation as a whole, it was above 100 per cent. Yet other sources of revenue had to be drawn upon to keep up road building and maintenance. Why? Because only 70 per cent of the income from these special additional road taxes was actually used for roads—the rest going for other purposes.

The other purposes, needless to say, didn't fall within the province of motoring. They may have been necessary and desirable, but they should have been paid for out of general funds, contributed by all taxpayers. As it was, the motorist was and is suffering the most unjust kind of class taxation. He pays twice where others pay once—first through his general taxes, then through special automobile taxes. He is, in common parlance, the guy who takes it.

There are signs that worm motorist is turning. He's learned that so long as he keeps quiet he's going to be in for more and more unjust discrimination. And he'd better turn fast if he is to keep the cost of running his car from becoming even more prohibitive than it is at present.

RECOVERY'S WORST ENEMY

"Taxation can become so oppressive that it defeats the very purpose for which it was levied," said Alfred E. Smith recently. "And what becomes of it? It is charged as a debt against the very people it was designed to help."

That is especially applicable in times of stress, when government—federal, state and local—is making laudable efforts to stimulate recovery. Bills are passed designed to raise the public's purchasing power—and then the danger appears that the cost of putting their provisions into action will in itself be a major detriment to purchasing and spending. Acts seeking to put men to work become part of the law—and it is possible, if they are based on faulty premises, for them to destroy jobs through taxation, instead of creating more.

There is a growing feeling on the part of business men, large and small, that the next essential step on the road toward normalcy should be definite reductions in the cost of government. The tax collector has closed thousands of commercial doors, foreclosed on a multitude of farms, deprived workers of their jobs and homes. He is the best friend hard times has. He's recovery's worst enemy.

More efficient and economical government, all the way from Washington to the smallest county seat—that's the need of the hour.

One thing which is not conducive to the popularity of any administration is a lot of official inspectors going over the country looking at everybody's books. —Fort Plain, New York, Free Press.

The wave of commodity buying, which followed the first flush of excitement over the NRA, has weakened, and retail outlets find business slower, with strong consumer opposition to higher prices. The volume of Christmas buying, on which reports will be available after the first of the year, will be an excellent indication of just how far recovery has advanced so far as the average citizen is concerned.

feated them 8-11 on the Darien floor Friday night. The next game with Genoa City will be played at the Wilmot gymnasium Friday night of this week.

The honor roll for the past six weeks with the following pupils having grades of ninety or more was issued Tuesday: Gerald Runyard, Robert Scott, Lois Pepper, Marguerite Evans, Alvina Derler, Dorothy Pepper, Josephine Larwin.

There was a splendid attendance at the Patrons Club program at the gymnasium last Wednesday evening. The skit, "Professor Dummelhead's Class," proved very popular, piano duets by Mrs. Charlotte Schurr and Rhoda Jedele were excellently rendered. A talk, "What Individual Nations Contributed to Civilization," by Rev. John Finan was most interesting and informative.

The next meeting of the Club will be on January 8 and will be held in the assembly of the high school. Parents and friends of the pupils are urged to attend. For that one evening they are to assume the place of the students and report at classes where the teachers will outline the class work accomplished and aims for the year.

The report cards were issued on Tuesday. Parents are requested to examine them closely and if there is any question to consult with the teachers.

The Athletic Group under Miss Kuenzli met at the gymnasium Monday evening. The Dramatic Group meets next Tuesday evening at the school.

The Wilmot Patrons' Club sponsored a 500 party and dance at the gymnasium, Thursday evening. Miss Gladys Bufton was chairman of the group assisted by Mmes. Henry Vincent, Harry Lubeno and Harry McDougall and Messrs. Charles Freeman, Bert Dean and Otto Schenning. La Meer's orchestra played.

Mr. and Mrs. R. Cairns of Williams Bay visited Wednesday with Mr. and Mrs. Walter Cairns. Sunday Mr. and Mrs. W. Cairns and were guests of Mr. and Mrs. C. Getzlaff of Silver Lake. Howard Cairns of Hebron and Horace Cairns of McHenry were at the Walter Cairns home Monday.

Mrs. Ida Mecklenburg and Mrs. H. Frank were in Burlington, Friday. Phyllis Jean, the infant daughter

of Mr. and Mrs. Frank Ehler, was baptized by Rev. S. Jedele at the Lutheran church on Sunday afternoon. Sponsors were Mrs. Herman Frank and Lyle Ehler. Mr. and Mrs. Herman Frank were dinner guests at Ehler's, Sunday.

Mrs. John Shattteen and Mrs. Ray Bufton called Friday afternoon on Mrs. Minnie Herriek at the Burlington hospital where she is a patient.

August Holtdorf returned Saturday from a visit in Milwaukee with Mr. and Mrs. Clarence Holtdorf.

Mr. and Mrs. Walter Klein entertained Sunday for Mr. and Mrs. J. Lack and family and Mr. and Mrs. J. Sommers and family from Chicago.

Viola Kanis, Josephine Lake, Warren Kanis, Harry Lake and George Marcussen were in Burlington to see Santa Claus on Saturday.

Mr. and Mrs. Ivan Newell entertained at four tables of 500 Saturday evening. Refreshments were served.

Mrs. Frank Kruckman accompanied Mr. and Mrs. A. Holtdorf of Silver Lake to Racine on Wednesday.

Hickory School Children Prepare Christmas Program

The school children are busy practicing for the Christmas program to be given at the school house, Friday evening, Dec. 22nd.

Mrs. Frank Newell of Ladysmith, Wis., and her daughter, Mrs. Louis Decker of Waukegan, visited Mr. and Mrs. Ralph Fields Saturday evening.

Mrs. Emmet King called on her sister, Mrs. Alva Scoville, in Kenosha Friday.

Frank Haines from Evanston and Frank Ely from Kenilworth, called at John Crawford's, Sunday evening. Mrs. A. T. Sayago and Mrs. Emily Mann visited Mrs. D. B. Webb at Millburn, Wednesday afternoon.

Miss Edith Thompson of Libertyville spent Saturday afternoon and Sunday, at her home, here.

Miss Grace Tillotson, Mrs. Harry Tillotson and Mrs. Lena Crittenden drove to Delavan, Wis., Sunday and visited Caryl Tillotson at school there.

Mr. and Mrs. Leo Carney visited Mr. and Mrs. Ray Riley in Kenosha, Sunday afternoon.

Mr. and Mrs. Curtis from Waukegan visited Mr. and Mrs. Clarence Splering, Sunday.

Mr. and Mrs. Charlie Harrison from Waukegan spent Sunday evening at the David Pullen home.

George R. Thompson was a Waukegan visitor Saturday.

Edwin Spelcher of Zion visited Sunday evening at Mr. and Mrs. Geo. A. Thompson's.

Mr. and Mrs. Ray Ferry were out from Kenosha Sunday for the day with Mr. and Mrs. T. C. Loftus.

Rev. Joseph Vorman, of Janesville, was a guest Sunday of Rev. John Finan.

Mr. and Mrs. C. Olsen entertained for Mrs. Walter Rasch Thursday evening in honor of her birthday. Four tables of 500 were in play, refreshments were served.

Mr. and Mrs. Martin Anderson, Kenosha, Paul Volbrecht and Louis Van Patten, Antioch, were guests Sunday of Mr. and Mrs. William Volbrecht.

R. S. Hilenfeldt, County Superintendent of Schools, visited at the Oak Knoll school on Monday.

Rev. and Mrs. S. Jedele attended the 25th anniversary as pastor, of Rev. Arnold Schultz at Milwaukee Sunday evening. Rev. Schultz and Rev. Jedele were classmates. Rev. Jedele was the main speaker of the evening.

A community band was organized last week with members from Wilmot and the surrounding towns. Officers are: president, Roland Heleman; vice president, Eugene Frank; secretary, Norman Jedele; treasurer, Clarence Loth. The next meeting will be held at the high school on December 18.

There will be no services at the Lutheran church on Sunday. Rev. S. Jedele, pastor, is to speak at the dedication of the Grace Lutheran church at Oshkosh on that day.

Earl Swenson attended the Stock Show in Chicago on Thursday.

Alfred Reynolds had the misfortune of running a wire into his left eye and he has been in Kenosha several times for treatments.

"Outfitter to Men and Boys"

ANTIOCH, ILLINOIS

December 14, 1933

Dear Mr. and Mrs. Christmas Shopper:

Christmas is near—the time of year to which we all look forward with great pleasure.

We have tried exceedingly hard to select merchandise that will appeal to the most fastidious, and any patronage you may care to give us, and an opportunity to serve you will be appreciated.

In our big-little town of Antioch we can solicit only local patronage, and we ask only that you give us a call to see if we have what you want. You will find that we always treat everyone just as we would like to be treated. Customers are never urged to buy.

Please read our ad on page 8.

Very sincerely yours,

Otto S. Klass

WILMOT MASONS ELECT OFFICERS

Newly Organized American Legion Post Holds Installation

At the annual election of officers on Thursday evening for the Masonic Lodge: Wilmot Lodge No. 241, the following were elected: Elmer Loth, Master; Herbert Sarbecker, senior warden; John Meisel, junior warden; Arthur Hessler, treasurer; Charles Freeman, secretary; Frank Novacek, senior deacon; Raymond Loth, junior deacon; Earl Ward, senior steward; Joe Oberhofer, junior steward; Carl Fremming, tyler; Guy Loftus, trustee. Installation will be by Henry Lubeno and George Bruel on Thursday evening, Dec. 21.

Open installation of the officers of the newly reorganized Legion post Fred Semrau, No. 361, was held at the Wilmot gymnasium Tuesday night, Dec. 12. State Vice Commander Reginald McKinnon gave the address of the evening, recalling the history of the Legion, and setting forth its aims and purposes, particularly in regards to the bonus.

The meeting was conducted by Emil Larson, Commander of the Kenosha post. The installing officer, State Adjutant Gil Stordock, Milwaukee, was assisted by the Kenosha plain, Mr. Chorenka, and County Commander Will Schmitt, Kenosha.

Among the visitors were representatives of the Kenosha, Richmond, and Salem posts. Entertainment was provided by the Kenosha Legion Minstrel band led by Clyde Stone-man, and by the Wilmot high school girls' Glee Club under the direction of Gladys Bufton. Refreshments were served.

Officers installed were: Commander, Carl Gauger; vice commander, Roland Hegeman; adjutant, Herbert Sarbecker; finance officer, John Mutz; service officer, Max Schoor; chaplain, John Mutz; sergeants-at-arms, Henry Letting and Otto Stensil.

The Wilmot High School basketball team lost its first conference game this season when Darien de-

TIMELY TOPICS BY ANTIOCH PEOPLE

MR. PHILLIPS CRAVES FACTS

Explores Lack of "Accuracy" in
Columns of the Antioch
News

Antioch, Ill.
Dec. 5, 1933

Mr. Homer Gaston,
The Antioch News,
Antioch, Ill.

Dear Mr. Gaston:—
Some weeks ago you were good enough to give expression in the columns of your paper to some comments I made on a story you had published concerning the activities of the chairman of the Fayette County Democratic Central Committee. This gentleman as perhaps you may recall, had just finished a tour of duty as Inspector of race tracks at 50 dollars a day. You published this story as an example of "Horner Economy," seeking to infer from this that the solemn pledge of the present great Governor of our fair state was a sham and a delusion. This naturally aroused the resentment of those of us who believe in Democracy as a living vital force in our body politic and the correspondence I have defined ensued.

I have no wish to enter into an extended debate with you on this subject. Henry Horner and the present administration needs no defense at what I think you printers call a point type that I saw displayed in the editorial rooms of one of the Hearst newspapers when I had occasion to visit it some years ago. This card had on it a single word that I call it your particular attention, "accuracy." I commend this to you as accuracy should be the central tenet of the creed of each member of the 4th estate.

I have before me as I write this letter, a letter from the Honorable Walter McLaughlin, Director of Agriculture for the State of Illinois written from Springfield under date of December 1st. This letter is as follows:

"Mr. G. E. Phillips,
Chairman of Publicity,
Antioch Democratic Club,
936 S. Main Street,
Antioch, Illinois.

"Dear Sir:

"Your letter of recent date to Governor Horner, together with clipping from your local paper with reference to the \$50 per day which was received by a state inspector at one of the race tracks, has been referred to me for reply.

"In explanation, I might say that the Illinois Racing Law which was passed by the 55th General Assembly provided for the payment of \$50 per day to be paid not by the state government but by the race track. This rate of pay, however, has been changed by a bill passed by the 58th General Assembly; and the pay of state inspectors, under the new law which is to take effect next year, is \$25 instead of \$50, as under the old law.

"In addition to paying the state inspector, the management of the track pays the state government, in advance, from \$1,000 to \$2,500 per day (depending on the location of the track) as a license fee. The state also receives 20c on each admission to the track.

"I feel sure that the present administration has solemnly kept its pledge to reduce the cost of state government, because in the Department of Agriculture our budget was reduced a total average of 33.4% under the previous budget; and it is our aim and intention to give the very best of service to the taxpayers of the State insofar as is possible.

"Trusting I have given you the desired information, I am

"Very truly yours,

"Walter W. McLaughlin,
Director."

May I call your particular attention to the following facts:

(1) The per diem that you complain of is paid not by the state treasury as you infer but by the track.

(2) The law creating this per diem was passed by a Republican assembly and signed by a Republican governor.

(3) When Henry Horner took office the state government he received with the aid of a Democratic legislature the charge you complain of.

(4) As an example of real Horner Economy let me call your attention to the last paragraph of Director Mc-

Laughlin's letter wherein he shows a reduction of 33.4% in his budget. Were all of the governments able to show a similar reduction it would not be long before the crushing burden of taxation that oppresses our people would be greatly lightened.

In conclusion, my dear Mr. Gaston, let me again commend to your attention the virtue extolled by William Randolph Hearst of accuracy and in the name of the Democratic party of Antioch township to request that you be very sure of your facts before again publishing facts reflecting on the titular head of the party in the state.

With the kindest of personal regards to both Mrs. Gaston and yourself,

Very truly yours,

(signed) GEO. E. PHILLIPS,
Chairman Publicity,
Antioch Democratic Club.

In questioning the item about a Democratic county chairman getting \$50 a day as race track inspector, Mr. Phillips does not state the truth fully. It is true that the \$50 a day was collected from the race track under a bill passed under a Republican administration which provided for one inspector only at \$50 a day. The horse race law has now been changed by Gov. Horner and the Democratic legislature so that it allows for three inspectors at \$25 each. In our opinion this money would be paid into the state and not the pocket of the inspectors, the cost of state government is reduced on a total average of 33.4% under the previous budget. That is true, but he stated to senators at the time his appropriation bill was under consideration that he could not operate his department efficiently if it was reduced to that amount. He does not state at this time, either, how much of the previous appropriation was unexpended, but it is an established fact that the Emmerson administration turned over to the Horner administration \$13,500,000 which had been saved in the first eighteen months from the previous biennial appropriation.

Horner-Kelly-Nash Machine

Director McLaughlin does not say, either, that the heavy cut in the agriculture department appropriation was due to the fact that the Horner-Kelly-Nash Democratic Tammany machine, centering in Chicago, has little or no interest in the agricultural development of the state. The Democrats, on the other hand, did increase by nearly a million dollars the appropriation for the secretary of state, a nephew of Boss Nash, and tripled the appropriations for the department of finance, under the direction of a protégé of Benjamin F. Lindheimer, financial manager of Gov. Horner's campaign.

Inferences vs. Facts

Mr. Phillips hints that the News seeks to infer "that the solemn pledge of our present great Governor of our fair state was a sham and a delusion." He also admonishes the News that a proper regard for accuracy should be a part of the creed of every member of the fourth estate. Now if Mr. Phillips can reconcile the facts relative to the present administration, as herein set forth, with the Governor's solemn pledge he will have accomplished the world's champion feat of mental gymnastics.

If Mr. Phillips is sufficiently interested in confirming the accuracy of these statements, he has but to follow the advice of one of Democracy's great leaders, Al Smith, and "see what the records say."

It is not that Governor Horner is a Democrat—in these times of stress very few are interested in partisan politics—and whether Democrat or Republican holds the reins of government, Illinois citizens expect an administration of economy—the kind of administration that was pledged.

This state has not had a "great governor" since Frank Lowden left the chief executive's office 13 years ago.

Chop Suey by Ginsberg

As a few outstanding examples of love for the taxpayers of the state the following facts can be cited:

The state put a known typhoid carrier to work as a guard at Menard penitentiary with the result that 2,364 prisoners and 183 employees had to be inoculated at a cost of nearly \$5,000 to the state.

The state bought \$1,000 worth of chop suey a week for state institutions from a man named Ginsberg of Oak Park.

Gov. Horner bought 2,000,000 bar-

rels of cement from one company without bids at \$1.44 a barrel, or 60 cents a barrel more than the price paid by the Republicans in 1932, an additional burden of \$1,000,000 to the tax payers.

Adds \$3,350,000 to Tax Burden

Gov. Horner added 50 new state highway police, at a cost of \$120,000 for salaries and equipment for the first year, a violation of one of his campaign pledges.

Gov. Horner made the sales tax apply to gasoline, adding a tax burden of \$3,350,000 to the \$45,000,000 tax burden already carried by the motorists of Illinois.

Gov. Horner forced through the legislature a bill which took away the right of the citizens of Chicago to elect a successor to Mayor Cermak, and which allowed "Sanitary Ed" Kelly, who had slipped out of the back door of the criminal court building after being indicted in the sanitary district scandal, to slip in the back door of the city hall to become mayor of Chicago for more than two years.

Horner's Brother Gets Patronage

In buying 200 automobiles for the highway department the state paid \$4,000 more to James Levy, full blood-brother of Gov. Horner, for Chevrolet than it would have paid had it accepted the bids of the Ford company.

More than 500 employees have been added in the Department of Finance, three floors have been rented in the C. I. P. S. Co. building in Springfield to house state employees, and so many payrollers have been added under the Horner administration that even now the offices are so crowded it is necessary for some of them to work on night shifts.

ployment for more than three months.

Gov. Horner's failure to carry out the federal road program in this state is now keeping more than 20,000 men out of work. The federal government gave Illinois \$17,570,770 on July 5 for road building to reduce unemployment. Gov. Horner now admits that contracts for only about \$8,000,000 of this work will be let by Feb. 1, and that not more than half of this \$8,000,000 worth of work will be underway by that date. Sen. N. M. Mason of Oglesby has charged that these thousands of men are being kept out of work because the Democratic machine wants to hold back construction so that jobs and contracts can be used for political purposes during the 1934 campaign.

Here's Horner Economy

Gov. Horner has effected an economy in one glaring instance at the expense of the dairy farmers of Illinois. So far this year he has bought 779,720 pounds of oleomargarine and only \$17,796 pounds of butter for state institutions. The law provides that 75 per cent of these purchases must be butter and not more than 25 per cent oleo.

The Illinois Tammany machine, during the 1932 campaign, promised both the United and Progressive miners that each would be made victorious in the event of Democratic victory. These promises, utterly impossible of fulfillment, have prevented settlement of the miners' difficulties, which have already cost the taxpayers more than half a million dollars to maintain state troops on riot duty.

Add Another \$13,000,000

Gov. Horner forced through his \$30,000,000 bond issue relief plan and refused even to consider the pay-as-you-go plan devised under Republican leadership. The Horner plan adds \$13,000,000 to the state debt, every interest, every

saved under the Republican plan.

Lieut. Gov. Thomas F. Donovan of Joliet is so heartily in favor of economy that he is on the payroll of the Chicago Sanitary District at the rate of \$9,000 a year in addition to \$12,700 a year which he gets from the state for salary and expenses. Donovan's only answer is that he does not work for the sanitary district when the legislation is in session.

U. S. Senator H. Dieterich of Beardstown, another economy advocate, is on the sanitary district payroll at the rate of \$8,650 a year and drew an additional \$83.04 for expenses in October, last. Sen. Dieterich gets \$20,000 a year from the federal government for salary and expenses.

Increase Liquidation Costs

The liquidation of closed state banks, under former Auditor Oscar Nelson of Geneva, was held down to the low and economical gross cost of only 10 per cent of the amount collected. Under Democratic Auditor Edward J. Barrett of Chicago the cost of these collections in the first nine months of 1933 increased to the outrageous total of around 35 per cent.

It is hardly necessary to go into the operation of the Illinois Division of the Home Owners Loan Corporation, the political patronage of which was dispensed by Sen. Dieterich, and the chief attorney for which is the law partner of the nephew of Lieut. Gov. Donovan. Nor is it necessary to tell of the activities therewith of Fred J. Walsh of Joliet, political lieutenant of Donovan and a member of the Democratic state patronage committee.

Recent revelations published in Chicago newspapers show that in five months only 450 loans, amounting to \$2,000,000 had been made from the \$300,000,000 allotted to Illinois. More than 40,000 needy and distressed home owners, facing foreclosure, had been denied the relief which

they had a right to expect under the law creating the HOLC, which was passed by Congress with the almost unanimous votes of the Republican members thereof.

These revelations show that the Democratic politicians in charge of the HOLC in Chicago were guilty of the most despicable "chiseling" in the history of public affairs in Illinois.

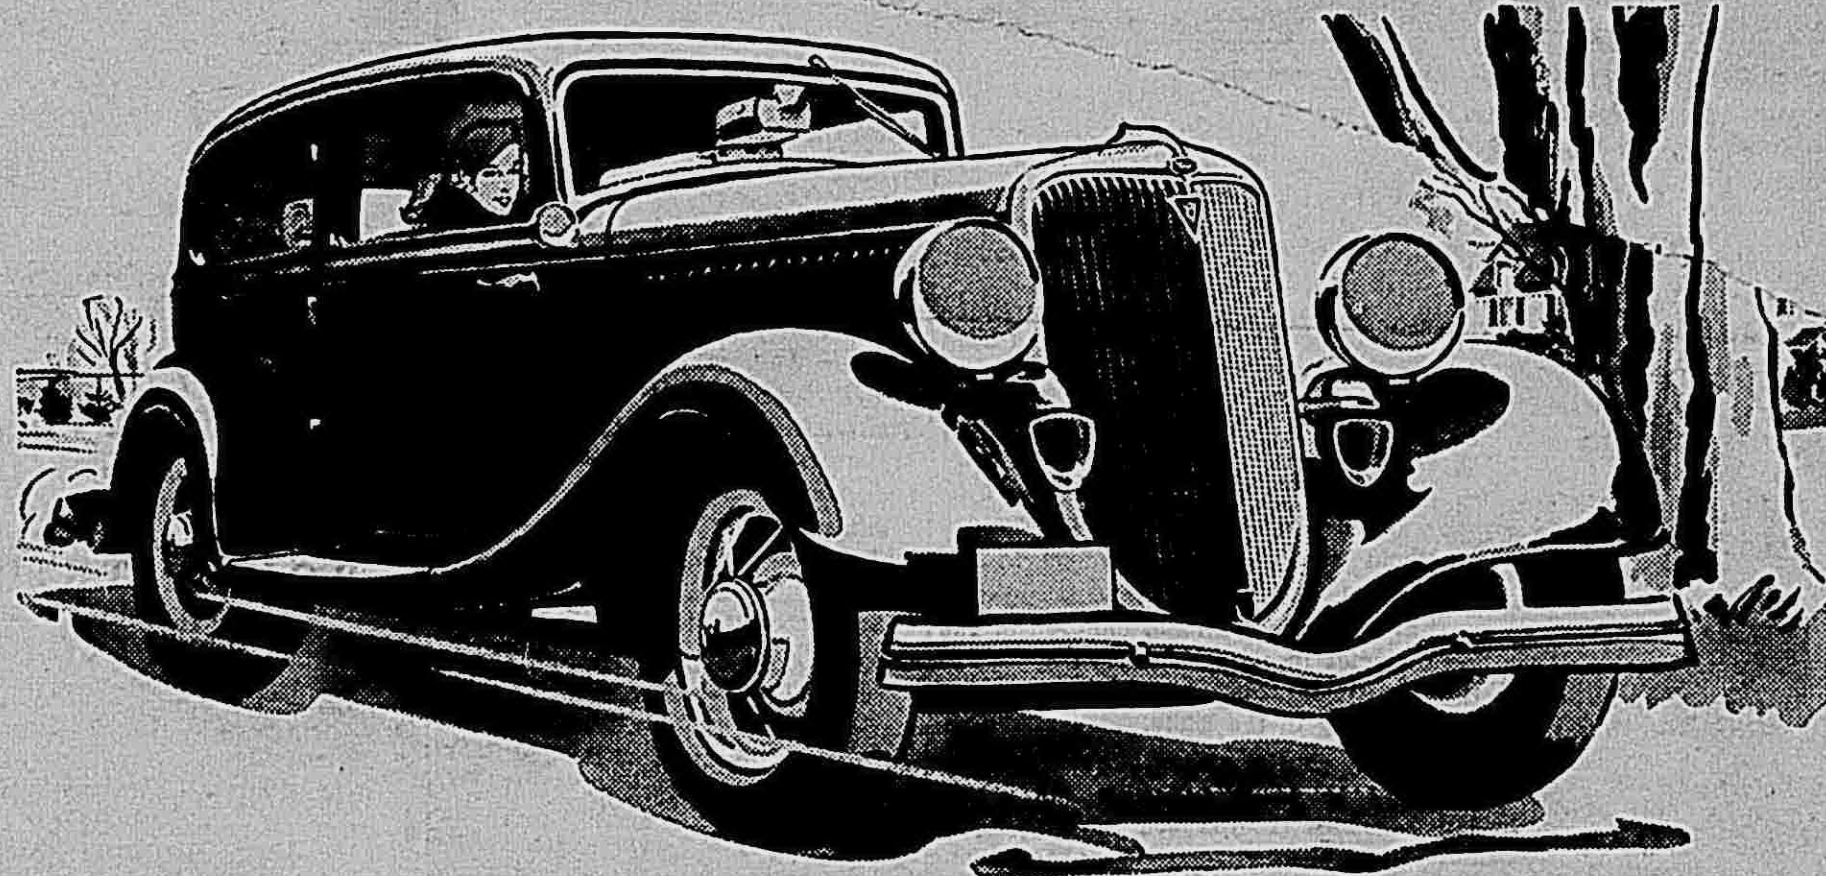

Only One Real Test

There is only one test of economy in government, and that is the total amount spent by the administration in power. Even a child knows that all money appropriated must come out of the pocket of the tax payer. The Republican legislature at its regular session in 1931 appropriated for the biennium \$306,637,875.99. The regular session of the Democratic legislature this year, under the direction of Gov. Horner, appropriated for the present biennium \$337,656,855.95, an increase of \$31,018,979.96. These appropriations are both exclusive of monies appropriated for the retirement of tax anticipation warrants. If these latter amounts are included in the appropriation the total for 1933 is more than \$370,000,000, an increase of nearly \$25,000,000 over the grand total two years ago.

Trust Them Not, Mr. Phillips

It is not the purpose of the News to enter into any long drawn controversy with our fellow townsman, Mr. Phillips, who is an able man and a good fellow. Nevertheless, he invited facts, rather than inferences, and he also demanded accuracy. A little serious reflection should convince Mr. Phillips that where politicians enter the picture, many times the less said the better. For one, the News refuses to take "hook, line and sinker" from any state administration. It's an infinitely better plan to keep one's fingers crossed.

Announce

NEW FORD V-8 for 1934

THE UNIVERSAL CAR

The New Ford V-8 for 1934 is now on display at the showrooms of Ford dealers. Surpassing even the great Ford of 1933 in economy, beauty and comfort, it is truly the car of this modern age—the culmination of thirty years Ford progress. It combines the proved performance of the V-8 cylinder engine with two important new features—Dual Carburetion and perfected Clear-vision Ventilation. See this car today and drive it at the first opportunity.

OUTSTANDING IMPROVEMENTS IN THE NEW FORD V-8

BETTER PERFORMANCE. Greater power, new speed, quicker acceleration, smoother performance, more miles per gallon especially at higher speeds, and quicker starting in cold weather—all these result from the new dual carburetor and dual intake manifold. New water-line thermostats enable the engine to warm up more quickly and to maintain an efficient operating temperature. Added engine refinements reduce oil consumption, further improve operating economy and reduce maintenance costs.

NEW VENTILATION SYSTEM permits clear vision, prevents drafts and provides desired amount of fresh air in any weather. Individual control for front and rear side windows. When ventilation is desired the window glass is raised to the top. Then the handle is given an additional half-turn. This slides the glass back horizontally to form a narrow slot. Through

this slot air is drawn out by the forward motion of the car. This simple ventilation system maintains draft-free circulation, insures passenger comfort, prevents fogging windshield in cold or stormy weather. Both windshield and cowl ventilator can be opened to supply additional air needed for comfortable warm-weather driving.

DISTINCTIVE NEW APPEARANCE enhanced by the newly designed chromium-plated radiator shell and grille, new hood louvers, new hub caps. Interiors are attractive, with new tufted upholstery, new mouldings, new cove-type headlining, new instrument panel, new arm rests, new hardware. Swivel-type sun visors in De Luxe bodies prevent glare from front or side.

FENDERS IN COLOR. On De Luxe cars fenders are in color to harmonize with body colors—wheel colors optional. New enamel finish on

all bodies and fenders has greater wearing quality and more enduring luster.

GREATER RIDING COMFORT results from increased spring flexibility. The spring leaves are newly designed for quieter and easier action. Shock absorbers are improved. Seat cushions are deeper, with new, softer springs. New type, individual bucket seats provide increased comfort for front-seat passengers in the Tudor Sedan. Adding to comfort is the new driving ease of the 15-to-1 steering gear ratio.

PRICES REMAIN LOW—Tudor Sedan, \$535. Coupe, \$515. Fordor Sedan, \$585. De Luxe Tudor, \$575. De Luxe Fordor, \$625. De Luxe Coupe (5 windows), \$555. De Luxe Coupe (3 windows), \$535. De Luxe Roadster, \$525. De Luxe Phaeton, \$550. Cabriolet, \$590. Victoria, \$610. (All prices f.o.b. Detroit.)

TREVOR MAN HURT IN AUTO ACCIDENT

Oetting Families Attend Big Reunion at Channel Lake Sunday

Mr. and Mrs. George Patrick and Milton Patrick made daily calls the first of the week on Byron Patrick at Salem who was injured in an auto accident on Saturday.

Mr. and Mrs. Charles Oetting and son, Lewis, attended a family reunion of the Oetting families at the home of Mr. and Mrs. William Oetting at Channel Lake, on Sunday.

Mrs. Harold Mickle accompanied her sister, Mrs. Hans Dietrich and a friend from Twin Lakes to Chicago Tuesday.

The teachers and school children are interested in planning and rehearsing their Christmas program which will be given in Social Center hall.

Arthur Bushing was in a Kenosha hospital for treatment of sinus trouble last week. Mrs. Jessie Allen transacted business in Kenosha Tuesday.

Dr. Deering, Antioch, made professional calls near Trevor Saturday and Sunday.

Mrs. Willis Sheen is on the sick list.

Miss Mary Sheen accompanied her sister, Mrs. George Vincent and family, near Genoa City, to Chicago Sunday where they were dinner guests of their sister, Mrs. Charles Miller and family.

A carload of western sheep were unloaded at the stock yards Monday morning.

The thermometer registered zero Monday morning.

Miss Frank Stewart and sister, Mrs. Hetta Douglas, Kenosha, visited Miss Mary Fleming on Sunday.

The largest auction sale was held at the stock yards on Thursday afternoon with Mr. Choep, Grayslake, as manager.

Ben Wurlis, Fond du Lac, Wis., was a business caller in Trevor Tuesday.

Mrs. Fred Forster called on Mrs. August Krahn near Salem on Tuesday.

Mrs. Ottilda Schumacher and sons, Henry and John Schumacher, were business callers in Kenosha Tuesday.

Mrs. Daniel Longman, son, Russell, and Mrs. Charley Runyard were Kenosha shoppers Wednesday.

Mrs. Meuse, Channel Lake, called on Mrs. Fred Forster, Wednesday afternoon.

Mrs. Alfred Dahl entertained the Trevor 500 club at her home on Wednesday afternoon.

Mrs. Nick Hillbert will entertain the club this week Wednesday afternoon.

John Henrick, Chicago, called at the John Friedhoff home Thursday.

Mrs. George Carroll and Mrs. Charles Oetting accompanied Lawrence Hanson to Kenosha Saturday.

Sunday callers at the Daniel Longman home were Mr. and Mrs. Joseph James, Antioch.

John Gever was a Kenosha visitor Saturday.

Ben Lawrence accompanied Elbert Kennedy to Kenosha Monday morning.

Legionnaires To Wind-Up Membership Drive With Dinner

A chicken dinner will be held by the American Legion members at the Guild Hall at 7 o'clock Thursday evening, Dec. 21, as a final windup to the membership drive which has been conducted for the past several months.

Paul Chase has been membership chairman of the Legion post, and Clarence Shultis and George Garland have headed two groups of Legionnaires in their drive for members. It was found that there are one hundred twelve ex-service men in the vicinity of Antioch, a number of whom were not known to be veterans until this drive. It is the aim of the post to get every ex-service man into the Legion.

Membership reached the high mark two years ago with 83.

Final arrangements for the program have not yet been completed. Serving on the dinner committee are Rev. Rex Simms, William Hallwas, and John Horan. The meal will be served by the K. P.'s of the post.

Commanders of the Fox Lake, Grayslake, and Waukegan posts have been invited.

Olaf Heim Passes Away At Loon Lake

Olaf Heim, 71, a resident of this vicinity for many years, passed away Tuesday evening at the El Small residence, Loon Lake, where he has been making his home for the past few months. Death was caused from a heart ailment.

Heim was born in Oslo, Norway, in 1862. It is not known when he came to this country, but he has spent about thirty-five years in this section of the county, working for fifteen or twenty years as a well digger. He received an income from his estate in Norway which enabled him to live in comfort, and to travel when he chose.

He is survived by a brother, Anton, and a sister, Mrs. Tulle Tullerson, both of Oslo, Norway.

Funeral services will be held from the Strang Funeral Home at 2 o'clock Friday afternoon. Interment will be in the Hillside cemetery.

Former Resident Dies in Chicago

J. E. Bouchard, a former resident of this vicinity, passed away Tuesday morning, Dec. 12. Funeral services will be held Friday morning, Dec. 15, at nine o'clock at the undertaking parlors, Wellington and Lincoln Aves.

Santa Claus will appear in person to welcome each little boy and girl in Antioch at 7:30 Saturday evening, Dec. 23, at Reeves' Drug Store.

F. F. A. MEMBERS ATTEND STOCK SHOW

Twelve members of the Antioch F. F. A. took a trip to Chicago to attend the International Livestock Exposition and Grain and Hay Show.

Those attending were Robert Carney, Owen Christensen, Harold Edwards, Willis Griffin, Sidney Hughes, Kenneth Hill, Donald Minto, Halger Nielsen, Bernard Reuter, Warren Sheehan, Howard Wells, and Ward Wilton. Albert Herman accompanied the boys, as Mr. Kuttill was unable to attend.

The boys went through Armour and Co. Packing plant first, and looked over some of the exhibits before lunch. After lunch they viewed more exhibits, and went up on the roof of the Exchange Building to get a view of the entire stock yards. The boys had intended to attend the Horse Show, but were prevented by the high rates.

H. S. Judging Teams Compete In Contest

Twelve members of the Antioch Chapter of Future Farmers of America will accompany their coach and instructor C. L. Kuttill to the Sectional Grain, Corn, and Poultry Judging contest which will be held at Sycamore, Ill., Saturday.

Members of the corn team are Frank Verkest, Frank Zeien, Glen Griffin, and Felix Eltering. The grain team is composed of Paul Nielsen, Owen Christensen, Richard Burnette, and James Nielsen.

The poultry team tryouts have not yet been completed, but selection will be made from the following: Ward Wilton, Willard Schneider, Edward Paske, Howard Wells, and Everett Truax.

Between two and three hundred high school students from the twenty-one schools in this section offering vocational agriculture are expected to compete. The event will be in charge of Mr. R. W. Terrill, of the Sycamore High School, who is preparing the rings and making plans to conduct the event.

Last year the corn judging contest was won by Sandwich, the grain judging contest by DeKalb, and the poultry judging contest by Somonauk, with Sandwich carrying off general honors.

Girl Scout News

A bird contest was held, Lion patrol receiving the point. Plans for the Christmas party are being made by the Nightingale Patrol. Mrs. Selter, Miss Glenna Roberts, and Mrs. George Garland will be invited to the party.

A meeting will be held this afternoon.

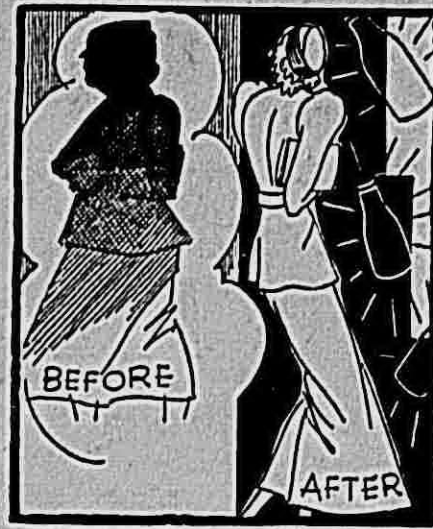

Carolyn Phillips,
Troop Scribe.

McMillen Is Victor over German Wrestler

Jim McMillen, Antioch wrestler, threw Milo Steinborn, former circus strong man of Germany, in fifteen minutes last night at the Chicago Stadium. Jim and the German appeared in one of the preliminaries on the Steele-Londos card.

A young lady named May from Maywood, is always exceedingly good. If anyone told her: To eat oil of cod liver, Or spinach, I'll swear that May would.

There was a young girl from Moline who, though she ate only protein, remained very fat. Though she longed to be fat; Then she found that milk made her mo' lean.

HIGH SCHOOL NOTES

ANTIOCH H. S. BASKETBALL TEAM GOES TO BENSENVILLE

Warren Takes Victory in Antioch's First Conference Tilt

The Antioch Township High School basketball squad will journey to Bensenville tomorrow night for the second conference game of the season. Much interest is being evinced in high school basketball this year as was shown by the packed bleachers at the opening conference game with Warren last Friday night.

It was Warren's turn to win and she did. Antioch took both games during last year's conference season, but Warren evened up the score Friday night with an easy 37-14 victory. Antioch's second team, however, played through to a 20-15 win.

The Antioch boys weren't up to scratch on the defense, and were unable to get by the strong Warren line for more than two field goals. Lineups follow:

LAKE VILLA WINS BASKETBALL GAME FROM ANTIOCH G. S.

The Antioch grade school basketball team lost to Lake Villa Saturday in a closely fought game, 20-15. Both teams made an equal number of field goals, but the greater accuracy of the Lake Villa boys in making free throws decided the game.

A game will be played here with Gurnee Wednesday, December 20. Lineups for the Lake Villa game were as follows:

The Englishman stopped in surprise, and exclaimed: "My word! 'ow did they know I was 'ere?"

GRADE SCHOOL TO PRESENT ANNUAL MUSIC CONCERT

Feature Jazz Band, German Band, Glee Club, Solos, Orchestra

A program of varied selections, ranging from classical to jazz, from serious to comic, both instrumental and vocal, will be presented by the Antioch grade school students in their third annual music concert at the high school auditorium tomorrow night, Dec. 15. The concert has been planned and directed by Hans Von Holwede.

Listed on the program are three numbers by the a capella Girls' Glee Club, composed of three-part voices, selected from the three upper grades. These numbers are "Sea Fever," "All Through the Night" with solo parts sung by Marie Ball, and "Silent Night" with accordion solo by Roberta Selzer.

Individual members will demonstrate their proficiency on several instruments, among them Mary Lou Sibley, Betty Lou Williams, and Jimmy Maplethorpe.

The German band promises to outdo a real German band, under the direction of Jimmy Maplethorpe as Herr Louie.

Individual solos will include: piano sol, Russell Lasch; Jazz band crooners, Bobby Walance and Monte Miller; piano accordion solo, Shirley Hennings; harmonica solo, Bobby Hunt; vocal solos by Bobby Hawkins and Gordon Pierce.

Mildred Van Patten will give a tap dance. The program will start at 8 o'clock, and close about 9:30. Dancing will follow until 11:00 p. m. with music provided by the grade school and high school jazz bands.

ANTIOCH G. S. RANKS THIRDS IN SPELLING CONTEST

The four students representing Antioch Grade School at the spelling contest held by the Northern Lake County Grade School Conference at Lake Villa Friday placed Antioch in third place, with a total of 350 points. Grayslake ranked first with 357 points, Gurnee second with 365, Lake Villa fourth with 352, and the combination of Fox Lake and Gavin school of Ingleside fifth with 349.

One hundred words were pronounced by W. C. Petty, county school superintendent, to the contestants. Shirley Murrie, Grayslake, spelled 99 correctly, failing on the word "convenience."

Florence Hackett, Antioch, ranked fifth with a score of 94. The other Antioch scores were: Bernice Sherman, 90; Wendell Nelson, 89; and Robert Chinn, 87.

Among the words which the Antioch students tripped on were medicine, bulletin, acknowledge, exquisite, quotation, squeak, superintendent, convenient, extraordinary, struggle, and personal.

Of the four boys who participated in the contest, two were from Antioch. The other sixteen contestants were all girls.

H. S. JUNIORS HOLD PARTY DANCE

Members of the Junior class of the Antioch high school held a party at the school building Saturday evening. A group of seniors, led by Clayton Bartlett, provided music for dancing.

Committees were as follows: Refreshment committee, Helen Strang and Virginia Tidmarsh; Invitations, Stuart Olson and Ray Smith; Decorations, Oliver Hunt and Xavier Hawkins.

Mrs. Roger Dardenne, Junior class faculty adviser, and several other members of the faculty were present.

Miss Roberts Attends Deans' Conference

Miss Cornelia Roberts, instructor in English and history at the Antioch Township high school attended the fourteenth annual conference of the Illinois Association of Deans of Women at the Northern Illinois State Teachers' College, DeKalb, Ill., Saturday. They were shown over the campus by the coeds. Luncheon was served at the Fargo Hotel, Sycamore, Ill. Miss Roberts has served on the publicity committee of the Association for the past year, and is treasurer of the Suburban Deans' Association.

Good Travel Choice

Lace is always a good travel choice since it packs well. This brown lace ensemble looks very new because its flowers are of gold metal. A deep band of fluted brown tulle borders the cape and skirt.

We pay the Illinois tax on the sale of this merchandise.

PUBLIC SERVICE COMPANY OF NORTHERN ILLINOIS

OTHER LOCAL LAMP DEALERS ARE ALSO FEATURING ATTRACTIVE LAMP SELECTIONS

Small floodlights with spike for sticking into ground at \$3.80 (red, amber and green color slides 90 cents extra.)

Table Christmas Tree at \$2.95, complete, ready to plug in. Stands 10 inches high and sparkles with 21 tiny lights. A single bulb inside does the trick.

ELECTRICITY IS THRIFTY ITEM

As you cast up your accounts for 1933, with an eye on holiday shopping and with some regard for the budget for the New Year, you probably are reminded that living costs are again rising.

But the cost of electricity, so important to your household, is unchanged. In good times or bad, over a score of years, the trend of electric rates has been downward. But living costs have rocketed upward, slid down, and are now rising again. So that now your general cost of living is 28% higher than pre-war level, while your electricity costs you 47.33% LESS than it did in 1911.

With living costs still mounting, the price of electricity remains at the same old level, still the most reasonable item in your household budget.

WOMEN'S PAGE

H. S. GIRLS IN CLOTHING CLASSES MAKE GAY SCARFS

(By Mrs. Ruby Richey)

Never has there been a season when scarfs were made of more varied and bright colors as this winter. Never has there been a greater need for bright and cheering colors, and never was there a time when girls in high school were so eager for pretty things to wear as this winter.

In the Antioch Township High School clothing class girls are making beautiful scarfs for themselves and their friends at little cost, and with an elaborate amount of pride and satisfaction.

Several girls have picked their way far back into the closets, and darkest corners of the attic and dug to the very depth of all the old trunks and brought forth many of the old silk, velvet, wool dresses, slips, and blouses which were discarded during the days of "easier" money. From the best parts of these old garments, they have made some very attractive and rich looking scarfs which they wear with much delight.

One girl made her scarf of soft, dark green flat crepe on one side and brick colored crepe on the other. Both pieces were taken from the best parts of two castoff dresses. Another girl made her scarf of black rayon on one side and green rayon on the other. A few days later this same little girl went shopping with her mother and upon returning to school, she rushed to me and most enthusiastically said, "Oh, I saw a ready-made scarf similar to mine yesterday which was selling at one dollar; and just think, I made mine without spending any money." This girl certainly had a financial thrill from this experience.

I must describe a third scarf which all of the girls like that was made of brown velvet on one side and of a brick colored crepe on the other. The ends were shirred on to the main part of the scarf. This surely is rich and expensive looking.

Some of the girls make their scarfs as a part of their home project, others in class as "pickup" work, and others whenever they can squeeze in any time.

They have great fun bartering in this scarf making project. If one girl brings an old dress of green with a good amount of usable material, she is likely to trade a piece of it to another girl for a piece of maroon, brown, or some other color which she thinks will make a harmonious lining for her scarf.

Last year the A. T. H. S. clothing girls ransacked the attics and trunks for old woolen material from which they made mittens. This year they are attacking the silks, rayons, and velvets, and converting them into something useful and attractive. A few more similar attacks upon the dark corners of the closets, attics and trunks, and there will be nothing left for the moths.

Fashion Previews

Small hats are now the rage in Paris—some of them perched on the back of the head, others extending over the forehead, another model with feathers massed behind, and still others of a demure babyish bonnet style.

Three-quarter length and shorter coats and capes are being worn more and more with the lengthened dresses, rather than the full length coats.

Wooden jewelry, fine for sports wear, has increased in popularity since the bracelets were introduced. In particular vogue are the "puppy" models—little dogs in brass or ebony which are suspended from the wooden band.

Matching hats and scarves, introduced last season, continue in popularity, with different versions. A velveteen set of a small hat with a matching Ascot scarf is sporty. Bright colors are used.

Speaking of scarves, they're keeping with the dresses in reverting to the days of grandmother. The ruffled fringed scarf, a band of silk about a foot wide and two yards long, in ruffled colors and prints, are the Ascot fashion with dark dresses and coats.

Home Games Enliven Long Winter Evenings

Inexpensive and Exciting Games of Chance and Skill May Be Secured

With more people staying at home evenings, instead of seeking outside costly amusement, it is necessary to entertain all members of the family and guests. Christmas is coming very soon—the ideal time to equip the home with inexpensive means of providing fun.

A number of new games are being shown: An exciting horse racing game, consisting of six wooden horses in different colors, with appropriate names. There is a folded playing board with six numbered tracks—each track the same color as its horses, and two hurdle rails.

Among the games of chance is the triple card game, which is played on a leather or felt pad, divided into nine pens. It might be called a combination of hearts, poker, and Michigan rummy. There is another combination game of parcheesi and put-and-take.

A game for any number of persons requires a large green felt pad with numbers, and a wooden cup with which to shake three dice.

A game of skill is one in which there are sixteen separate games in a box—each a test of memory and power of recognition. A sheet of photographs is pinned on the wall, or spread on a table; each player is supplied with a pencil and sheet of paper. At a signal all players begin to identify the pictures. When the time is up the sheets are exchanged for correction. The pictures are of well known characters—movie stars, etc.

Variety Is Provided
Another amusing game is categoricals. There are four books to the set—each book consisting of enough sheets for fifteen persons to play. The sheets are divided into seven subjects and letters. An allotted time is given for each game.

Another good one is a box of mental games. There are seven guessing contests in the box and as many as 20 persons can play. Some of those that will tax your brain are concentration, progressive anagrams, logic, and observation.

And of course there is always ping pong, which has taken the country by storm. A party can never be dull nor the guests bored when there's this game to play. A large table with collapsible legs, that can be set up anywhere, net, paddles, and balls can be obtained at any State street department store.

"BIRTHRIGHT" IS HUMAN STORY OF NEGRO EXISTANCE

Viewpoint, However, Is Bit Fatalistic About the Negro's Position

Although you may not be in sympathy with the attitude of the author regarding the enlightening of the negro race, you'll find this book, "Birthright" by T. S. Stripling an intensely human story of an educated negro's return to his home town. It is told sympathetically, with a full understanding of the conflicting emotions bred of a mixture of white and negro blood—of Peter's changing moods, his joy, remorse, humiliation, exhilaration, confidence, despair, bewilderment, and finally what might be termed resignation to his position in life, and his own limitations.

Probably the author's idea, at least as brought out by this story, that the majority of negroes in the south cannot be lifted out of their degrading surroundings and lax moral habits, is the correct one. Time will tell. Peter is no Booker T. Washington, although he has dreams and aspirations of uplifting his race, as is natural. But it is also natural that he should lack sufficient enthusiasm and perseverance to stick to it, and give in a more common happiness. It's life.

This book may be secured at the Antioch Public Library.

FARM PRINTING IS A SPECIALTY WITH US

Children's Toys Should Be Selected With Thoughtfulness

In Choosing Playthings, Use the Guide of 12 Primary Virtues

Christmas and toys are synonymous in the minds of most children—and the majority of parents attempt to provide a few toys to make the holiday season bright for their youngsters.

Such little things make an impression on young minds that one must exercise great care in the selection of appropriate playthings. The National College of Education at Evanston, Illinois, listed twelve virtues of a good toy.

The successful plaything is durable. Flimsy toys make children careless and destructive.

It stimulates its owner's imagination and encourages him to dramatic play.

Although it is not bunglesome or awkward, the well designed toy is large and simple enough not to cause eye and muscle strain.

It is easy to keep clean. It is safe. It does not have splin-

tery edges or rims of sharp tin.

It is true to form in color and shape; artistic, not grotesque.

Up to the minute play materials are usable in a variety of ways. They are not static, nor do they merely provide entertainment.

Toys are adjusted to the space in which the child plays with them. Large wagons do not belong in small nurseries.

Every child has two types of toys—those which stimulate individual play and those which encourage him to group activity.

Some of the child's playthings are well within the realm of his experience and give him a feeling of mastery. Others are just enough outside of his everyday routine to broaden his education.

In every youngster's nursery there is an even balance between toys that offer creative possibilities and those of a finished type.

Last of all, the good toy does not require the frequent supervision of an adult, but encourages self-reliance and responsibility in the youngest generation.

entered in this division. Nine carloads were entered in the range lamb section, and Mr. Wood's carload entry won third place.

Libertyville Independent-Register
 The development of the big 100 acre tract, formerly known as Butler Lake, on the western edge of the village, into a big municipal park is the latest project being urged by the emergency relief committee which is asking work for the large number of unemployed under the Civil Works administration. The matter was presented to the village board at the regular meeting Tuesday night by O. A. Newsom and W. E. Webster, members of the committee who have made an investigation as to the practicability of the project.

Salem P. T. A. Play Repeated By Request

"The Arizona Cowboy," a four-act play sponsored by the Salem P. T. A. will be repeated by popular request Friday evening, December 15, at the Salem Center hall. This play is about life on the Double Z ranch at Purple Dog, Arizona, and contains plenty of comedy, thrills and action, with added features between the acts.

Two hours of dancing, with music provided by the "Three Musketeers" will follow the play.

The cast of fourteen characters is as follows:
 Cowboy Sheriff Lee Eggert
 His Partner Norman Barthel
 Stranger from Frisco H. Wisocki
 A Glorious Liar Lester Dix
 Heathen Chinese Ed Janssen
 Navajo Chief Fred Richards
 Cattle Thief Herman Schultz
 Ranch Owner Mrs. P. Thornton
 Housekeeper Mrs. G. Belmer
 The Stranger's Sister Mrs. W. Griffin
 Indian Maid Mrs. L. Dix
 Youngun' Mrs. E. Manning
 Cowboys, Wm. Griffin, Paul Thornton

Burlington Standard Democrat
 Four bronze bells which henceforth will chime from the belfry is the northwest corner of the monastery chapel, were blessed at an impressive ceremony of traditional significance which took place at the Franciscan monastery east of Burlington Sunday afternoon at 2:30.

Wauconda Leader
 Mr. and Mrs. A. C. Stoxen of Bassett, Wis., for a long time residents of this community, are not unused to seeing their names in the newspapers. The parents of seventeen children, all of whom are living, their story and their portraits have appeared in many metropolitan newspapers; they have received the congratulations of governors and presidents. But they were probably never happier than on last Thursday, when for the first time in seven years, every member of the family was at home for Thanksgiving. There were fifty-three persons who partook of the sumptuous turkey dinner, three being guests outside the immediate family. Besides Mr. and Mrs. Stoxen's children, their eighteen grandchildren were all present also.

Burlington Free Press
 Howard Wood, local sheepman, won two prizes in the International Livestock show in Chicago this year. He took a first prize in one class and a third in another. His carload lot of range yearlings was awarded first place. There were three carloads

NOTICE OF PROPOSAL FOR BIDS

Sealed bids will be received at the Village Hall in the Village of Antioch, State of Illinois, until the 26th day of December, 1933, at the hour of two o'clock in the afternoon of said day for the furnishing, delivery and erection of an elevated steel water tank and steel tower on Lot Twelve (12) Simon's Addition to the Village of Antioch, in said Village and the removal of the present water tank and tower therefrom, all in accordance with plans and specifications therefor on file in the office of the Village Clerk. Such plans and specifications may be obtained from such Village Clerk on payment of Five Dollars (\$5.00) therefor. No deviation from such plans or specifications will be permitted unless through the permission of the Engineer. All parties to qualify as bidders shall examine the plans and specifications and inspect the site to ascertain local conditions to insure full knowledge of unusual conditions or hazards.

A certified check in an amount of not less than ten per cent of the total bid price shall accompany each bid, which check shall be drawn on a solvent bank doing business in the State of Illinois and made payable to the Treasurer of the Village of Antioch, Illinois. Certified checks of unsuccessful bidders will be returned after the contract and bond shall have been properly executed.

Consideration will be given only to bids received that provide a time for completion within limit of time as ordered by Engineer. No bid will be considered until the bidder shall furnish evidence satisfactory to the Village Board that he has the necessary facilities, ability and pecuniary resources to fulfill the conditions of the contract and execute the work, should the contract be awarded to him. The successful bidder will be required to furnish a surety bond in the amount of 100 per cent of the total bid price. Such surety shall be authorized to do business in the State of Illinois and acceptable to the Village. The bond shall provide for compliance with the terms of the specifications in all particulars and for the payment of all labor and material bills.

Each bidder shall include with the bid a set of drawings showing the type of joint between plates in the tank proper; showing column, strut and diagonal bracing detailed connection with size of rivets; also riser pipe to tank bottom connection; also balcony details and details of the column shoes, and shall show the size and thickness of main members comprising the structure. The

City Briefs

Mr. and Mrs. Elmer Brook returned Saturday after spending a month in Mercersburg, Pennsylvania, visiting Mrs. Brook's aunt, Jennie McCleary, and looking after business interests.

Antioch American Legion Auxiliary No. 748 wishes "you all" to see their N. P. display in Webb's Racket Store window. Please look.

Little children, take notice! Santa Claus will be at Reeves' Drug Store at 7:30 Saturday evening, Dec. 23.

Mrs. Maria Sprague is now visiting with her sister, Mrs. W. S. Rinear.

Inclusion of these detailed plans is mandatory. Bids and plans will be submitted to the Clerk of the Village in a sealed envelope bearing the title "Elevated Steel Tank and Steel Tower" and addressed to "R. L. Murrie, Village Clerk, Antioch, Illinois."

The Village Board reserves the right to reject any or all bids. Dated at Antioch, Illinois, this 12th day of December, A. D. 1933.

THE VILLAGE OF ANTIOCH.

By: George B. Bartlett, President.
 Roy L. Murrie, Village Clerk.

Mrs. Harry Whelock of Waukegan spent from Sunday until Tuesday with her friend, Mrs. E. G. Straghan. Who said higher prices? Here's another reduction—Methanol Alcohol, 44c gal. Gamble Stores.

Miss June Allner, Chicago, spent the week-end with her parents, Mr. and Mrs. Richard Allner.
